

INDIA BEYOND 75

CEOs CONFERENCE 2022

“STEERING INCLUSIVE DEVELOPMENT FOR SHAPING NEW INDIA”

AT HOTEL LE MERIDIEN, NEW DELHI

DATE - AUGUST 21, 2022 | TIME - 10.00 AM TO 4.30 PM

ORGANISED BY

GOLDEN SIGNATURES RESEARCH & CONSULTING

On the **15th of August 2022**, India will have **completed 75 years of Independence**, and we shall be celebrating our **76th Independence Day!** This glorious year, which is being hailed as **Azadi Ka Amrit Mahotsav**, will be remembered as the **Platinum Jubilee Year of India's Independence** in the annals of the history of this magnificent land. This **75th Year** shall prove to be a phenomenal year that will never ever be repeated in Indian history; thus, it is the **Rarest and Once-in-a-Lifetime Opportunity** for all of us to make the best use of this golden time and think beyond 75 now to make a Vibrant New India.

INDIA BEYOND 75

CEOs CONFERENCE 2022

“STEERING INCLUSIVE DEVELOPMENT FOR SHAPING NEW INDIA”

Our Keynote Speaker

INDIA BEYOND 75
CEO CONFERENCE

KEYNOTE SPEAKER
SHRI AMITABH KANT

AUG 21, 2022
HOTEL LE MERIDIEN
NEW DELHI

The man who not only authored Branding India: An Incredible Story in 2009, but was himself a key driver in branding India in a most incredible way. Mr. Amitabh Kant as the Chief Executive Officer of NITI Aayog will always be remembered as the benchmark of visionary administrative excellence for his great pioneering work and his contributions to nation building. He led and wrote the golden chapter of Growth and Governance of India through various Transformational Ideas and initiatives such as 'Make in India', 'Startup India', 'Incredible India', and 'God's Own Country'. From formulating National Strategy for New India to saving the nation during the most traumatic period of Covid-19 his dynamic leadership will always be remembered.

INDIA BEYOND 75

CEOs CONFERENCE 2022

“STEERING INCLUSIVE DEVELOPMENT FOR SHAPING NEW INDIA”

CONCEPT NOTE

In Spirit of Atma Nirbhar Bharat, Saksham Bharat, Amrit Kaal & UN SDG

On 15th of Aug 2022, India will be celebrating 76th Independence Day and the passing glorious year will be remembered as the Platinum Jubilee Year of India's Independence in the annals of the history of this magnificent land. This is the Rarest and Once-in-a-Lifetime Opportunity for all of us to make the best use of this golden time and think beyond @75 to make a **Vibrant New India**. The Government of India is tirelessly working for all round development of the country and has brought it on the global stage despite all odds, recession and pandemic.

From NITI Aayog to all Ministries of the Govt of India including MoF, DIP, Education, Skill Development and Entrepreneurship, Road Transport & Highways, Agriculture, MNRE, MSME, AYUSH, Civil Aviation, IT, Communication, MCA, DoNER, MEITY, MoWR, MoFPI, HIPE, MoHFW, MoEFCC has taken several initiatives for Transforming India and country have made remarkable progress in the last decade. Plenty of reforms and new initiatives have been accomplished in almost every area. **Prime Minister Narendra Modi** led government not only abrogated Article 370 but also chalked out a brighter future for the country by bringing about several policies, starting from Swachh Bharat Abhiyan to the National Education Policy, Jal Jeevan Mission and Ayushman Bharat to the GST, and Digital India to E-Mobility that have had a demonstrable effect on Indians lives. A number of other initiatives have also been undertaken to ease business environment.

But, what is next?

INDIA has to rise up from troubled waters of 'technical recession' to realize her mission to become a 5-Trillion Economy by 2030. **PM Modi** has set a target of making India number one in the world by 2047, when the nation celebrates the centenary of its Independence. Terming the next 25 years for country as 'amrit kaal,' PM Modi has rightly said that, "Moving from the 75th year of independence to its centenary should be a watershed moment for the country and its people."

His vision to strengthen the infrastructure is focus on four priorities of PM GatiShakti, Inclusive Development, Productivity Enhancement & Investment, Sunrise opportunities, Energy Transition, and Climate Action.

This is an unprecedented time. Unprecedented times call for unprecedented measures. Because the battles of this century will be fought and won not only on the "Power of the Ideas but also on the Execution of the Ideas", which will separate the sheep from the goats," as **Sue Grafton** has said.

Our former president, **A.P.J. Abdul Kalam** had rightly said, "The great challenge of transforming India can be achieved through youth, which has got the power of ideas, ambition, and ability."

INDIA BEYOND 75

CEOs CONFERENCE 2022

“STEERING INCLUSIVE DEVELOPMENT FOR SHAPING NEW INDIA”

Taking inspiration from PM Modi's vision for India in the next 25 years, **Golden Signatures** in association with **DIMC Trust**, and **Blooming Hopes Forum, New Delhi and Dignity Restoration and Grievance Settlement Association (DRGSA)**, is bringing forth a uniquely designed International Conference to focus on driving the agenda for inclusive development of India, beyond 75 years of Independence titled - **India Beyond 75: CEOs Conference**.

We are inviting a conglomeration of **Visionary Young and Experienced Responsible Thought Leaders (CEOs, VCs)** from all walks of life to connect and talk how to realise PM Modi's dream of "Aatmanirbhar Bharat" to make our youths "Job-givers" instead of being "job-seekers" to achieve the larger goal of self-reliant India.

This event will focus on Prime Minister Modi's major initiatives like NEP2020, Startup India, Make in India, Digital India, Vocal for Local, Ayushman Bharat, E-Mobility and Invest India campaigns and will discuss how to 'reform, perform, and transform' as per his vision.

Main Theme of the Conference will be **Steering Inclusive Development for Shaping New India**.

There will be four separate sessions apart from the main plenary session.

SESSION ON EDUCATION

NEP implementation post Varanasi Samagam & Challenges of Quality, Accreditation of HEIs

SESSION ON ENVIRONMENT

Environmental Impact of E-Mobility, New Options, Benefits & Challenges

SESSION ON TECHNOLOGY / INNOVATION

Innovative Smart Future Technologies: Opportunities Post 5G & Obstacles

SESSION ON HEALTHCARE

Healthcare – Innovations, Experiments & Future Challenges
